

REACH Statement of Compliance
(Registration, Evaluation and Authorisation of Chemicals)

As far as the above regulation is concerned there is no obligation for Goldwing Cable Limited, as a supplier, to pre-register any of the 'articles' that we sell, as they have no intended release of chemicals through use.

We confirm that to the best of our knowledge products supplied by the main suppliers of Goldwing Cable Limited comply with current REACH regulations. They do not contain any of the 241 listed Substances of Very High Concern (SVHC) as per the ECHA Candidate List dated 21st January 2025.

We continue to gather information from our Suppliers on what they and their raw material suppliers have done in relation to the REACH regulations and should we receive any information regarding items that appear in the list then this information will be fed up our supply chain.

On behalf of Goldwing Cable,

A handwritten signature in black ink, appearing to read "K. Ayres".
